## BOXER VETERAN SIERRA BROUGHT FREIGHTER FLEET IS PASSENGER IN SHERIDAN PROMINENT TOURISTS TO CALL HERE FOR COAL

Many prominent officials in the United States army are reported coming from the coast to the islands in the transport Sheridan. The vessel is due here about March 13.

Lieut. Col. James M. Arrasmith, 6th Infantry, ordered for duty at Manila, is the senior officer on board the army transport Sheridan. Col. Arrasmith, one of the best liked officers who ever has been stationed in San Francisco, is the man who led the American troops into China at the time of the Boxer uprising. He was then a major and was stationed in the Philippines. When he was ordered to China with a battalion of his regiment he made the quickest trip to the scene of the troubles of any body of troops or any nation.

Officers among the 28 passengers on the transport Sheridan include Capt. M. M. Keck, 15th Infantry; Capt. Frank A. Barton, 8th Cavalry, and Capt. Benjamin Pope, 24th Infantry. All three of these officers are en route to the Philippines. First Lieut. A. B. Dockery, 10th Cavalry, Fort Huachuca, is also en route to join his regiment.

Another Trans-Pacific Line. Another line of steamers is to ply across the Pacific, with a possibility of an occasional call at Honolulu for bunker coal. It is to be backed by wealthy Chinese and Americans and is to place in operation steamers between ports of China, the Gulf of Mexico and New York. The government of China is to guarantee the dividends of the concern in return for certain advantageous rates on certain favored exportable products which the government wishes to send to the United States. The names of the concern of the men backing the project have not been made public. The fact that Robert Dollar is in the Orient at this time has led to the rumor that his concern is to be interested in the new line.

Sherman Here Sunday Evening. The United States army transport Sherman is due from Manila about 6 o'clock Sunday evening. The vessel is reported to have steamed from the Philippines with a small number of military and civilian passengers in the first cabins. The Sherman is expected to depart for San Francisco at 5 o'clock Monday evening. The vessel will leave no cargo. It has been assigned a berth at Pier 6. Joining the Sherman here are a number of officers, their wives and families and territorial employees. It is not likely that the Sherman will be given mail owing to the Pacific Mail liner Mongolia's leaving for the coast about 24 hours later.

The stupid person sometimes says a witty thing without knowing it. A professor in a medical college had one exasperating student. "You see, Mr. Smith," said the professor to this young man, one day, "the subject of this diagram limps, because one of his legs is a trifle shorter than the other. Now, what should you do in such a case?" "I should limp, too, I think, sir," replied the student, with an expression of perfect innocence on his face.—Tit-Bits.

While few in number, the tourists brought to Hawaii in the Oceanic liner Sierra today include a number of prominent mainlanders. With the exception of the first 24 hours after leaving San Francisco, the vessel was favored by fine weather. Deck sports were the rule each day. Directed by Purser Al Conquest a delightful program of entertainment was given nightly.

The Sierra came to a berth at Pier 10 before 8 o'clock this morning. Thirty-three cabin and 19 steerage passengers visited the islands in this vessel.

Francis Mayer, a prominent New Yorker, with his wife, is making the trip to the islands after coming to San Francisco by way of the canal. J. M. Hind of Hind, Rolph & Co., shipping brokers, is making a trip to Hawaii, and the Misses T. M. and M. A. Buttner of Honolulu returned after a visit to California.

F. F. Cann of San Francisco, with Mrs. Cann, will make the round trip on the steamer. Several Los Angeles residents, including W. A. Grimshaw and wife, L. M. Grumbacher and family and J. G. Ingersoll and wife, are visiting Hawaii by the Sierra. Dr. L. P. Thompson and Oswald Stevens, both residents of Honolulu, returned by the Sierra.

The Sierra brought 318 sacks of lumber, 1497 tons of mainland cargo and a quantity of express matter. About 75 passengers have been booked for the coast in the Sierra, scheduled to steam for San Francisco Saturday noon.

## Strathendrick Chartered for Coast.

The last of 500 tons of Australian coal is leaving the British freighter Strathendrick. The vessel is expected to steam for the North Pacific coast about Wednesday. The vessel is understood to have been chartered to load a return cargo of lumber at Puget sound and the Columbia river for Australia.

## Bringing Coal From Newcastle.

Laden with more than 5000 tons of coal the British freighter Werthebe, is reported to have steamed from Newcastle, N. S. W., for Honolulu. The vessel is due here the latter part of March. The vessel may proceed to the Pacific coast, to load lumber for Australia.

## Kauai Sugar Report.

Purser Akau of the steamer Kinua reports the following sugar on Kauai: Waimea, 1600; Hawaiian Sugar Company, 804; McBryde, 26,144; Koloa, 14,126; Lihue, 4500; Grove Farm, 5000; McKee, 2700; Kilauea, 2740 sacks.

## HARBOR NOTES

Taking about 1900 tons of sugar, the bark R. P. Rithet sailed for San Francisco yesterday.

The United States army transport Sherman, to steam for the coast at 5 o'clock this evening, will take mail.

The inward cargo brought by the steamer Mikahala from Maui and Molokai included 1559 sacks of sugar.

The schooner Resolute is expected to leave Kahului for the coast early this week. The vessel has been discharged of lumber.

Sugar has been supplied the Matson freighter Hyades at Fort Allen. The steamer will complete cargo for coast refineries at Hilo.

The Matson Navigation steamer Lurline, due to arrive from the coast tomorrow morning, will bring the next mail from the mainland.

More than 100 passengers have returned from Hawaii in the Matson steamer Matsonia. The liner loaded 2000 tons of sugar at Hilo.

The steamer Kilauea has returned from Maui ports, having taken the place of the steamer Claudine for one round trip. The vessel brought a large list of passengers.

The steamer Great Northern completed its run from Hilo to San Pedro in 5 days and 11 hours according to report from its officers. The vessel was delayed some hours by a fog off the southern California coast.

## \$8400 REALIZED IN THREE PROPERTIES

Three properties were sold at auction Saturday afternoon by James F. Morgan Co. The lot on the makai-Waikiki corner of Beretania and Piikoi streets was sold to Tang See for \$3000. Waikiki of the Donna on Beretania street 100 by 190 feet was bought by Charles J. McCarthy, owner of the Donna property, for \$3500. A lot on Pacific Heights containing 91,016 square feet was bought by H. Holmes for \$1900.

Three health department horses also were sold.

Returning from Kauai yesterday morning the steamer Kinua brought about 8000 sacks of sugar. The vessel met with smooth seas in crossing the channels. The inward cargo included 1500 cases of pine and 100 sacks of rice.

The third of a large fleet of power fishing sampans now under construction near Honolulu was launched at the foot of Fort street yesterday, the ceremony attracting a throng of visitors to the waterfront. The event was attended by much fanfare and joyousness.
